From virtue's blissful paths away  
The double-tongued are sure to stray:  
Good is a forth-right journey still,  
And many paths but lead to ill.

Wieland: or, The Transformation: An American Tale, usually simply called Wieland, is the first major work by Charles Brockden Brown. First published in 1799, it is a Gothic novel set in rural Pennsylvania. The story concerns Theodore Wieland, whose transformation into a murderer is influenced by his hearing of mysterious voices, possibly due to ventriloquism or divine forces. The novel is one of the earliest major American novels and is highly regarded for its exploration of the human mind and the power of suggestion.
